Dear Pastor and Fellow Laborer:

Deputation Update

The first three weeks of August, Crystal and I were in Nebraska where we had the privilege of being in one mission's conference and three meetings in four different independent Baptist churches! Along with meeting several pastors and church members that we had not met before, we also had the joy of fellowshiping with old friends and former Bible college classmates. One of the blessings of deputation is that we have the opportunity to see people that we have not seen in many years and to enjoy the fellowship of the brethren!

At the close of August, Crystal and I headed to Lewisville, TX and attended Deputation School hosted by our mission's clearinghouse and we have now set up our bank account with GIBM to handle our incoming support. **All support can now be sent to the GIBM for the Coleys. Please see the sidebar for the GIBM's mailing address.** Churches that wish to continue sending support to our sending church may continue to do so at the address on the sidebar for our sending church.

We ended August and began September in the state of Texas where we were privileged to present the burden the Lord has given to us for Kenya in two churches. We were also able to attend the Red River Valley preacher's conference before leaving Texas.

Prayer Partnership

We thank you all for your financial and prayer support as we continue to travel to mission's conferences and meetings. Please continue to pray for safety in travel as we spend the next couple of months traveling to TN, AR, WA, and OR. The following are some continuing prayer requests:

- That the Lord would keep us safe as we are now on the road full-time
- That the Lord would use us to be a help and a blessing to host churches
- That we may be able to fill our calendar with conferences and meetings
- That we will have good health as we travel

Thank you for your partnership in ministry!
