November 2018

Dear Pastor and Fellow Labourer:

Crystal and I hope you all had a Happy Thanksgiving!! It so happened that this year, Crystal's birthday fell on Thanksgiving Day; and we were able to celebrate her birthday and Thanksgiving with her family and home church! Since it had been a few years for Crystal to be around her family for her birthday and Thanksgiving, we were thankful that this year we could be with family.

As we have begun deputation this year, God's provision for the Coley family has given us much to be thankful for this season! We would like to express our gratitude to our supporting churches and to the churches that scheduled conferences and meetings with us! You all have helped enable us to continue the deputation trail and helped to provide for our needs along the way. We thank you!!!

Deputation Update

As the month of October ended and November began with cooler weather and time change, we were coming to the end of a busy trip to Washington and Oregon for conferences and meetings. At the start of November, we were in a missions conference in Spokane Valley, WA, followed by some time at our sending church where I had the privilege to preach once again. We then finished up our time in WA with a meeting at a church in Marysville.

In Mid-November, we returned to Oklahoma where we have the opportunity to use this area as our base for deputation over the next several months. Much of 2019 is scheduled to be in the Midwest and Southwest regions.

Prayer Partnership

While in WA, Crystal and I had the privilege to spend a couple hours witnessing to Mr. and Mrs. "D." They seemed to have many questions and desired to hear the answers; but they are not quite ready for salvation. Please pray with us for their salvation as our pastor follows up with them.

Thank you all for continuing to pray with us and for us as we travel to churches sharing our burden for Kenya and seeking partners in ministry!

Thank you for your partnership in ministry!

Billy and Crystal Coley
