February 2019

Dear Pastor and Church family:

Deputation Update

Crystal and I had the opportunity to spend the month of February in Oklahoma. We had the opportunity to be in five different churches for meetings. It was a privilege to be with these different churches and to meet new people and see what the Lord is doing in their ministries. It was our joy to share with these churches our burden and ministry opportunity in Kenya. As we joined in the services with these churches, it was exciting to see the Lord work. At one church, a young lady was saved; at another church, a lady re-dedicated her life to the Lord!

This past month, we were notified that we picked up two more supporting churches. This brings our current support level to 40% of the needed monthly funds! Praise the Lord!

As we move into March and April, we have a very busy schedule ahead of us with several back-to-back missions conferences. We are scheduled to be in conferences in OK, KS, MO, and TX over the next two months.

Praises

* Through a supporting church, the Lord provided new tires for our car. This blessing ended up being very timely in that we were to get ice and snow several days later!

* We picked up two more supporting churches!

Prayer Partnership

* That the Lord keep Crystal and I safe as we travel over a lot of roads this missions conference season.

* That the Lord allows us to be a help and a blessing to our host churches.

* That the Lord allows us to remain in good health through this season.

* That the Lord may allow our support to continue to increase and our deputation calendar to continue to fill up for the summer and late fall.
