Missionaries to Kenya

March 2019

Dear Pastor and Church family:

Deputation Update

As winter came to an end and spring began in the month of March, Crystal and I found ourselves busy with a month packed full of conferences and churches having their missions month! We had the privilege of being in seven churches in OK, KS, and MO. Two of the churches were able to partner with us in monthly support before we left their conferences. We also look forward to hearing back from the other churches we were in about their commitment to prayer and financial support.

With more snow and ice making an appearance this past month, we thank the Lord for safety on the roads and His provision and care for us as we travel!

“Gone Fishin”

“...Follow me, and I will make you fishers of men.” -Mt. 4:19b

While out soulwinning this past month, I had the opportunity to meet two men, on two different days, who both had the same problem. They did not know for sure that if they were to die, heaven would be their home. They both wanted to know more and gave me the opportunity to go through the plan of salvation with them. In the end, both of these young men wanted to take more time to consider. They believed they were sinners; but they did not believe they were bad enough to go to hell, in spite of what the Bible said about the matter. A phrase I remember hearing as a young man going through soulwinning training was, “They can’t get saved until they get lost!” As the pastor follows up with them, please pray for “D” and “R” that the Holy Spirit will convince them of their need of salvation.
