April 2019

Dear Pastor and Church family:

**Deputation Update**

After a busy couple of months packed full of missions conferences and meetings, April was a little less busy. We were able to be in two churches in MO and one church in TX for missions conferences and meetings. We praise the Lord that two of the churches voted to take us on for support! As of the end of April, we have 45% of our support. As the churches that have voted to take us on are able to send support, we hope to see our support level be at 50% from these past meetings.

For the months of May and June, we have several meetings in Florida. Between meetings, we hope to stop in for a visit with some family that I have not seen in several years. At the end of June, we head back to Missouri for a missions conference.

**Prayer Partnership**

As Crystal and I continue on full-time deputation, we thank the Lord for the safety that He has given to us as we have traveled the many miles of our deputation trail, and we are thankful that our car has had no problems along the way. Lord willing, we will leave in a few days for Florida from Oklahoma. We ask that you all would be in prayer with us for continued safety and for our car to continue to hold up well as we travel.

We thank you all for your faithfulness in praying for us as we seek to raise the needed support for us to arrive in Kenya. We also want to express our gratitude to the churches who have allowed us to present our ministry opportunity in Kenya and to the churches who have partnered with us in financial support! The Lord has been faithful to provide for our needs through the local churches that we have visited!
