May 2019

Dear Pastor and Church family:

**Deputation Update**

Crystal and I spent the majority of May between Florida and Arkansas. With the spring storms ramping up, we are thankful that the Lord allowed us to stay safe as we traveled many miles, at times, through heavy rain. We did not have many meetings scheduled in May, but we were able to have one church vote to take us on while we were with them! We also dropped in some churches along the way which resulted in a future conference.

This past month, we were contacted by a couple of churches in which we had been previously; they let us know that they had voted to take us on for support. We praise the Lord for three new supporting churches in the month of May! We now have 50% of our needed support!

**Prayer Partnership**

This past month, my dad (Bill Coley, current missionary in Kenya) learned that he had a lesion on his kidney. This lesion concerned the doctor enough that he recommended to my dad that he return to the states for a biopsy. My parents were already planning to return for their furlough in late July. They are now returning the first part of June with a doctor's appointment in Oklahoma set for June 10<sup>th</sup>. Please pray for my dad as they try to figure out what the lesion on his kidney is and for my parents as they travel back for an earlier-than-planned furlough.

*Billy and Crystal Coley*
