December 2019

Dear Pastor and Church family:

As 2019 ends, Crystal and I have been grateful to the Lord for His provisions throughout the year as we have been on deputation. Through all the miles that have been driven, the Lord has kept us safe on the roads and allowed our car (an 11-year-old car with 150K miles!) to carry us safely to all the meetings without any breakdowns or accidents. We have been in good health and all our needs have been met. We have also been able to increase our support to 60% of our needed goal!

Crystal and I are grateful to all the churches that allowed us to present our ministry; we appreciate the love, care, and fellowship that they showed us while we were with them! We thank the Lord for our prayer and financial partners that have come alongside of us in ministry. Thank you for being faithful to the Lord and us by enabling us to continue on the deputation trail!

Deputation Update

During the month of December, we were in Oklahoma and Texas. We realize that many churches are often busy with cantatas during the Christmas season, but we are thankful for the churches that invited us to share with them our burden for Kenya!

It was a joy to be with some of my family and Crystal's family for Christmas! It was especially meaningful since, Lord willing, we will be in Kenya next Christmas.

Praise

It was a pleasant surprise to us that several of our supporting churches sent us Christmas gifts! We appreciate the sacrifices of the members of our supporting churches. In addition to your prayer and financial support, you reached out to us for the purpose of being a blessing to us this past Christmas. Praise the Lord for the fellowship of the saints!!

Thank you for your prayers and financial support!

Billy and Crystal Coley
