January 2020

Dear Pastor and Church family:

**Deputation Update**

The New Year began with a full schedule for the month of January! As the first few days of 2020 found Crystal and I busy with getting ready for our schedule of meetings, I was thrilled to be contacted in one day by 3 churches informing us that they had voted to take us on for support! We were also contacted by a church that had promised previous support; they let us know that our support was to begin this month and that a special offering would be sent to be used for our expenses when we make the move to Kenya. Praise the Lord!

The month began in Washington. Lord willing, we plan to end the month of January in Texas. Our trip to Washington had some changes in plans due to a family emergency that required a return to Oklahoma. We would appreciate prayer for the Coley family.

**Kenya in View!**

With the end of December having us at 60% support and an encouraging beginning of the year with 3 new supporting churches, I can see the end of our deputation drawing near! Lord willing, we hope to be right at 70% support by the end of January, and we trust the Lord that He will allow us to be fully supported by June of this year! We have begun collecting things that we will need on the field, and we have been setting them aside to await the time when we can ship them to Kenya.

**Prayer Requests**

In addition to praying for our continued safety in travel and good health while on deputation, would you pray with us that the Lord would allow Crystal and I to be fully supported by June?

As of the writing of this letter, we need **20** more supporting churches to partner with us before we are fully supported. Between the meetings that we have scheduled and the meetings in which we have already participated, I believe that our goal of being fully supported by June is a realistic goal with the Lord's help! I look forward to updating you on how the Lord has provided additional supporting churches. Our desire is to see a decrease each month in the above number of needed supporting churches! Would you pray with us for **20** more supporting churches?
