June 2020

Dear Pastor and Church family:

Deputation Update

As different states are slowly opening back up and now some states looking at stepping back some of their re-opening processes, Crystal and I must keep ourselves up to date on the current local laws as we travel. It has not always been easy since rules have, seemingly, changed from one day to the next.

June was a month of re-scheduled meetings that were postponed due to the pandemic that had shut things down. We spent the month in Arkansas and Oklahoma. We praise the Lord that one of the churches in Arkansas voted to take us on for support while we were with them! With 85% of our support coming in and another 5% committed, we are now asking the Lord to help us find **6** more supporting churches!!

Another Step Toward Kenya

On June 16th, I traveled to Kansas City with my dad to drop off our shipment of personal and ministry items to be shipped to Kenya. The company we are using is founded by a Kenyan, and all the employees are Kenyan. I enjoyed speaking Swahili with them, and they were thrilled to hear Swahili from an unexpected source. This company makes regular shipments to Kenya, and they make shipping items to Kenya available to the public. In a cost sharing effort, this business allows us to pay only for volume used. Since our belongings are packed in with theirs, they take care of all the paperwork and getting things through customs; this will save us stress and money in dealing with Kenyan customs on our own.

Crystal and I head to Washington in July where, along with meetings, we plan to ship the items that we have in storage to Kenya; this will be our last shipment. Once we are fully supported, the only thing left to purchase will be our plane tickets. We are thrilled to be taking these steps toward Kenya, and we are excited to see how the Lord will supply the remaining support that is needed!

Thank you for your faithful prayer and financial support!
