Dear Pastor and Church family:

Kariobangi

This month during our church-wide evangelism efforts, we went to an area within walking distance of Karen Baptist Church called Kariobangi. In Kenya, a couple of miles is an easy walking distance as most walk farther to work each work day. We have spent the last several months visting every *boma* (compound) containing multiple homes that allowed public access. We visited every *ghorofa* (apartment building) and business along the main roads. Although there were many not home, still we were able to get the Gospel of Christ out to this area. We plan to revisit this area in a few months since the state of the economy has people moving a lot for the sake of jobs.

We praise the Lord for the visitors to church and professions of faith that we were able to see from the Kariobangi area. Currently, there are some Bible studies taking place on Saturdays in Kariobangi with the purpose of unseating false doctrine, planting right Bible doctrine, and seeing souls saved. We also have monthly Bible club with the children of Embulbul near Kariobangi. Though we will be focusing on another neighboring area in the coming months for evangelism, we will still be returning to Kariobangi to follow up with prospects and Bible studies.

Bible Institute

Since we arrived in 2020, Karen Baptist Church has had Bible institute classes one evening a week for two hours. At the time, this was all the young men were able to commit. This year brought some changes to the schedules of the young men which will allow them to be more available to focus on Bible institute training. Missionary Cormier and I have worked together to add additional classes where we will teach 3 days a week for a total of 8 hours of classes. In addition, we plan to have a time each week where the instructors and students will have "in the field" training as a practical application of their Personal Evangelism class.

Prayer Requests

- Souls saved through the evangelism efforts of Karen Baptist Church.
- Weekly Bible studies that they may also see souls saved and new converts discipled.
- Monthly Bible Club in Embulbul that families may be reached for the Lord.
- Bible Institute classes that the Lord will allow young men to be trained up for service to the Lord in ministry.
- Please Pray for a boy named Lucky as he recovers from surgery. He was hit by a bicycle which left him with a fractured skull and ribs. He is a young boy that attends Bible Club and goes to Sunday School at KBC.

Thank you for your faithful prayer and financial support!
