Dear Pastor and Church family:

Furlough Preparations

As we prepared to return to the states for our first furlough, we had much work to do. First in our minds was to continue our normal ministry duties of preaching, evangelism, in-home Bible studies, and teaching Bible institute classes. In addition, we needed to get our home ready to be locked up for about a year which involved making much-needed repairs to the home.

Next on the list was to prepare some of the young men in the Bible institute to continue with areas of ministry that had been started. Bro. Derrick, Bro. Vin, and Bro. Brian have been receiving extra training from Missionary Cormier and I for the purpose of them taking on extra responsibilities to cover furloughs of both our family and the Cormier family as they leave for furlough later next year. Please pray for these young men as they step more into leadership roles at Karen Baptist Church. As the Lord leads and works in hearts, we pray the Lord may use these young men to plant churches in other areas.

My family and I arrived safely in Oklahoma after a 30+ hour trip from Kenya. My goal in arriving in time for the holiday season was to give our family time to recover from travels, to get used to being in the states again, and to spend some time with family before travels. Since this is Hudson's first time in the U.S., we also needed to allow time for him to get acclimated to a new environment.

Before our planned return to Kenya next November, we will take time to report back to some of our supporting churches as well as to present the ministry the Lord has given us to new churches. We praise the Lord for the faithfulness of our supporting churches. Through changing economic times worldwide, our support never diminished during our first term. We look forward to seeing our supporting church families where we can communicate how the Lord has worked in our lives, in the lives of Kenyans, and to express our gratitude for your partnership in ministry.

Prayer Requests

- For Bro. Derrick, Bro. Vin, and Bro. Brian as they take on extra ministry responsibilities.
- For KBC as they continue to evangelize the areas surrounding the church...We desire that souls would be saved, finding freedom from their works and trusting in the completed work of Christ.
- Our family's health during this flu season.
- Our safety as we travel to supporting churches.

Thank you for your faithful prayer and financial support!
