Dear Pastor and Church Family:

Village Evangelism

While Olkeri is only a short drive from Nairobi city limits, it is considered a village area. The difference between the Nairobi area homes and the homesteads in Olkeri is quite stark. Around Karen Baptist Church, there are many apartment buildings with thousands of people living in one square kilometer. In Olkeri, the homes are much farther apart. Since Olkeri is only seven miles (straight line) from Nairobi, many in the city are moving out toward Olkeri. We have seen several apartment buildings in the process of being built within one kilometer of the church property. It has encouraged me to see that we are out ahead of the growth in the area and that people are moving out to where we are ministering. As Olkeri grows in population, we look forward to laboring for souls.

This past month, we had a young lady named Stella express her interest in knowing more about the Bible way of salvation. A large part of our labor is that we must uproot the false teaching that a person must complete the work of salvation through their own efforts. Some of the religious groups in the area of Olkeri teach that salvation is a process and that one cannot be saved immediately. One Bible example we show people that contradicts popular belief is the thief on the cross in Luke 23:40-43. The salvation offered to the thief by the Lord Jesus was an instant salvation. We have a series of Bible studies that look deeper into what the Bible says regarding how one might come to know the Lord Jesus Christ as their Savior. Please pray for Stella as we continue to follow up with her with Bible study lessons.

Prayer Requests

- Please pray for us as we are laboring in Olkeri that souls will be saved.
- Please pray for Stella as she learns the Bible way of salvation that the Lord will work on her heart about her need of biblical salvation.
- Please continue to pray for Mary (the lady mentioned last month who has complained of demonic oppression). We visited her this month and encouraged her regarding turning to the Lord Jesus instead of her false religion, but she continues to hold on to her false hope that she is saved by her good works.

Thank you for your faithful prayer and financial support!
