April 2026

Dear Pastor and Church Family:

Olkeri Progress

This past month has shown more progress on the church property at Olkeri. When we began making repairs to the fences and building, we noted that the property had no power or water. The restrooms were also inadequate for a church property. While there is some “red tape” we are working through in the matter of getting water and electricity to the property, we began building restrooms that meet local codes for a place of public worship. The foundation was laid, the walls are up, and the fixtures for the restrooms were purchased. Lord willing, the roof will be finished and fixtures placed this coming month.

During evangelism in April, we met a young lady named Joy. As a typical Kenyan, Joy was putting her trust in her good works to be sufficient for her salvation. After being shown Scripture that contradicted what she had been taught, we could see that Joy was doing some hard thinking. Joy was not ready to make any decision that day, but she was willing to begin our Bible study series which gives an in-depth look at what the Bible says about the matter of salvation.

Prayer Requests

- Please pray for us as we are laboring in Olkeri that souls will be saved.
- Please pray for Joy as we follow up with her in Bible study lessons.
- Please pray for us as we finish up construction and repairs on the church property.

Praise

- One of our personal prayer requests was that the route we drive to Olkeri had sections of dirt road. With the rainy season now on us, we had been praying that the dirt road (which was supposed to be paved years ago) would soon be paved. This last week, we went to Olkeri and found the road was paved the whole way to the church. We praise the Lord for this blessing!

Thank you for your faithful prayer and financial support!
